**Mission of the Month:** "SAT-7 continues to make God's love visible to people across the Middle East and North Africa (MENA) region by broadcasting Christian TV programmes in Arabic, Farsi and Turkish, produced in the region by Middle Eastern Christians. The inspirational, informative and educational programmes are broadcast by satellite, and SAT-7's vision is to see a growing church from Morocco to Afghanistan, confident in Christian faith and witness, serving the community and contributing to the good of society and culture. Please praise God and pray for the recent launch of SAT-7 Academy, a new Educational and Development channel in Arabic.

At all the services today we will be reflecting on God's goodness and blessing towards us, and praying for those who live in poverty and need. There will be an opportunity to support the work of Christian Aid through a retiring collection. Please use the red Gift Aid envelopes if you are a tax payer. Do give generously if you can. This will be in addition to our usual collections at all services. The Harvest produce in church has been donated by children at Oundle C.E. Primary School and it will be donated to the Oundle Foodbank.
