The post of Youth Minister is one role in which two organisations have a keen interest. Souster Youth and St Peter's teams have been working closely for well over two years. Our shared ethos and vision is to; positively impact all young people, and actively support those who want to explore and grow in their Christian faith. The Youth Minister will play a key role in carrying this vision forward.

We're looking for someone who...

1. Has experience of Christian youth work in a range of settings, ideally including a church context

3. Has an awareness of adolescent development
4. Has knowledge of Safeguarding and its implications on practice
5. Is committed to the ethos of Souster Youth and St Peter's Church (There is an occupational requirement for us to employ a committed Christian for this role)

"I appreciate Souster Youth because it has made me happy and they make you feel welcome whenever you come. I enjoy being a part of 'The Way' and the church (St Peter's) ... it has helped me develop a relationship with God. It is nice that the people who do 'The Way' also are part of Souster Youth..."
